Sir,

Subject - Entertainment of Octroi staff in Bowringpet Town Municipal Council,

I have the honour to state that the collection of toll in Bowringpet Town Municipal Council was managed till now departmental and on the recommendation of the Council, Government were pleased to sanction the disposal of right of collection of toll at the Municipal gates on contract basis in their order No L 14496-7/M I 46-96 dated 21st April 1947. Accordingly, the Council have sold the right during the current year for Rs 4350/- and have confirmed the sale as this arrangement was advantageous to the Council

The toll gate establishment which consisted of 10 peons on Rs. 10/- plus D A 12/- per month each had to be abolished but as there was no separate staff for the collection of Octroi at the gates, the establishment has been continued by the Council after discussing the subject at their meeting held on 30/6/1947 There are four gates in the Town and there is the necessity of employing two peons for each of the gates to attend to the collection of octroi and issue of transit passes by shift system and two peons to watch the arrival of dutiable articles by train and recover octroi thereon In all, it is found that the services of all the ten peons employed for toll collections are absolutely necessary and the Council have therefore reentertained the staff with effect from 1/7/1947 for the collection of octroi on the same pay and Dearness Allowance The Council have also made necessary provision to meet the cost in the current year's budget I request that sanction of Government may kindly be obtained early to entertain 10 peons on Rs 10/- plus Dearness Allowance per month in Bowringpet Municipality temporarily for a period of one year from 1st July 1947 as resolved by the Municipal Council

SIR

With reference to letter No.L.12834 dated 26th January 1948 regarding the appointment of octroi staff in Bowringpet Municipality during 1947-48, I have the nonour to forward herewith the resolution of the Municipal Council dated 30th June 1947 for reference as desire Toll-gate staff of eight peons were appointed in the first instance in this Municipality during the year 1940-41 and later on, during the year 1941-42, it was increased to ten peons. Sanction of - - Government for the continuance of this temporary staff is being obtained year after year. The Municipal Council with the sanction of Government proposed to lease out the right to collect toll in the Municipality with effect from 1st July 1947 and accordingly, the right was sold for Rs 4350/- for the year 1947-48. Therefore, there was no necessity for the tollgate staff with effect from 1st July 1947.

Octroi duty in this Municipality was being collected by the toll-gate staff alone and no additional establishment had been obtained therefor. Now that the tollgate staff had to be retrenched the Municipal Council propose to continue them changing their designation as octroi peons with effect from 1st July 1947 and have recommended for sanction of Government. This staff is absolutely necessary to collect octroi taxes in the Municipality and the staff proposed is not additional establishment. The income derived by the Municipality from octroi and toll during the past five years is noted in the copy of the President's letter enclosed herewith.

P T.O

I therefore request you kindly to obtain sanction of Government to the continuance of the tollgate staff of ten peons during the year 1947-48, changing their designation as octroi peons. There is ~~necessary~~ provision for this expenditure in the budget for the year 1947-48 I have requested the President, to consider the question of further continuance of this staff for 1948-49 and sanction of Government thereto will be obtained separately.

Yours faithfully,

Deputy Commissioner, 22/3/49
